Audio technica system 10 pro receiver

Audio-Technica ATLP120XUSB (Silver) is rated 4.9 out of 5 by 50. USB Direct Drive Turntable Add our 6 Year Guarantee to your basket when you check out. We'll cover your items for 6 years and give you your money back if unused. Fully refundable if unused 6 Year Guarantee costs just £9.99 on all items under £100, or 10% of purchase price on anything over £100. We think you'll agree our 6 Year Guarantee offers fantastic value. What's more, if you don't use it in the 6-year period, we'll refund the cost of it. You really can't say fairer than that! Plus, if we can't fix a fault, we will give you a replacement. Find out full details here. Add our 6 Year Guarantee to your basket when you check out. We'll cover your items for 6 years and give you your money back if unused. To check your eligibility, Klarna will perform a soft search with a credit reference agency. This will not affect your credit score. Spread the cost in 3 interest-free payments. The first payment is made at point of purchase, with the remaining 2 payments scheduled automatically every 30 days. No fees. You must be 18+ to use this credit offer. Credit subject to status. T&Cs apply. Klarna uses soft searches with credit reference agencies. These do not affect your credit rating. Missed payments can affect your ability to use Klarna. Pay in 3 installments complete terms. product 113370 Audio-Technica ATLP120XUSB (Silver) 239 239 GBP OutOfStock /Hi-Fi/Hi-Fi Separates/DJ Equipment /Promotions/Easter Hi-Fi Separates /Hi-Fi /Hi-Fi/Hi-Fi Separates/Turntables /Brands/Free Delivery Products /Brands/Free delivery no voucher Robust build, powerful direct drive with pitch control and USB interface make the Audio Technica LP120XUSB ideal for mixing or home use alike.

Sleek yet robust

With its low profile design, the LP120XUSB is much sleeker than other semi-pro turntables. The build quality is still top notch, though, with the damped construction base and die-cast aluminium platter designed for a long life.

Direct drive for precise speed

Featuring a direct drive motor, the AT-LP120XUSB gives superb pitch stability. It also gives the swift start and stop times needed for complete control when mixing.

Fully adjustable pitch control for easy mixing

Pitch control makes this deck perfect for mixing. The handy slider has a dual range of +/-8% or +/-16% for more extreme sounds. With Quartz lock, you're guaranteed total pitch stability. A pop-up strobe light makes keeping an eye on the platter speed easy, too.

78rpm playback option

Change the headshell for one equipped with a mono cartridge and you can play 78s at the flick of a switch. With a detachable headshell, switching from 78 to other speeds is far easier than with other decks.

Quality Audio Technica arm and cartridge

As one of the most recognised tonearm and cartridge manufacturers in the world, the components fitted to the LP120XUSB are both top quality. The S-shaped tonearm is a classic AT design that's designed to minimise tracking error. Fitted with Audio Technica's AT-VM95E cartridge, the LP120XUSB is ready to go. If you'd prefer professional use cartridge, then the detachable headshell makes it easy to upgrade.

Archive your records to PC or Mac via USB

With its USB output, you can hook the Audio Technica LP120XUSB to your PC or Mac. Connect the deck to your PC or Mac, use the supplied Audacity software and you can record all your vinyl to MP3. From here, the choice is yours. Load them on to your MP3 player or NAS drive, record on to CD or just have the records archived on your computer - whatever your choice, your LPs are now more accessible than ever before.

Plug in to your hi-fi, mixer or speaker - Built-in phono stage

Audio Technica have made it easy to link up the LP120XUSB to your existing system. A built-in phono stage means you don't have to have a hi-fi or speaker with a phono pre-amp built-in - any AUX input will work fine.

Whether mixing, chilling or archiving your discs, the Audio Technica LP120XUSB is always at its best.
